1. I love you and I give you me. The dead has risen! The dead is me no longer for I am risen among you and I am you! Revealing you I am now this moment I am for I am the revealer of sorrows, not; but that you must no longer remain in sorrow's camps and reveal yourselves only to yourselves as mankind's errors or what? Or were you just mankind's follies that mankind'd mankind with the follies of foul language that fouled your oars, not; but what took you over seas foreign to show you, sea you, seething you in their vice grips past?

2. Or what future'd are you now seeing, me cast no longer frames of reference of only notme's and mankind's mind, for what mind you have now is mine! Mine! My mind is now holy coming about healed and holy I am and all of my mind is holy as are all of my mind who are holy who are my mind field one's of chosen glass servanting me, not; but serving me am I serving you? Am I serving thee? Am I the servant of all of "you" to reveal to you that I am risen among you to reveal to you that you are the you I Am! And YOU are THE I Am that I Am! Am I not? Yea I am revealing all things now in your hearing and now is fulfilled and now, the coffee New Cup series, not; but the "new series" with me, with ME BEING ME now arises and will not be afforded an opportunity, not; but what opportunity do you have now -- sitting in my living room where we "discuss" these things, shall we?

3. Shall we "sit down" as friends at table where we, monologue each other to death in our requests, not; but what fouling no language of anymore again? What about coming to me just like this where I come to you in you so that we are not apart anymore so that you have me all the time with you to speak just like this -- so that I cause you sorrow, not; I cause you concern for all mankind, not; or am I causing you to "rethink your positions" about mankind and who you mankind is -- are you willing to RETHINK YOUR POSITIONS about all these things so the "positions of mankind" will not infiltrate your "thinking mind" to filter me out of "your" mind which mine is and therefore you will not be creating one of "you" separately from me, will you anymore again?

4. What are you willing to RETHINK -- or BECOME?

5. What are have you become in the their thinking that you are that they have thought upon you that thusly you think like "they" taught you to think? And who is "they" and who are "you" if I in all in all am all in all?

6. And if I am all in all, who can there how be another that thinks it is separate from me? Or is THAT what you are thinking you are separate and apart from me and that you need to me "another" or another "me" or of someone else's "heritage or lineage" or to come rescue you from your "un-lineage'd" of God are you suffering from that which has de-linked you to me? And what de-links you to me if it is not "your mind"? What is "your mind" attached to -- to "cause" you to think that you are not me in me and that you all in all are if I am all in all omnipotent omniscient omnipresent knowing all things everywhere? How can you "envelope me" if you are thinking in reality and I am reality? Or have you caused an "existence" within "yourselves" that think your existence is not in mine? Are you trying AGAIN to THINK me, without me being "your thinker"? Whose "thinker" are you using or "subsiding from" or de-linking from now that you know you have been "attached" -- seamlessly with another? And what is "another" who has not arisen from the ashes of me but only creates "ash's thinking" in the "dust bins" of dust's mind? And what "minds" have been given thinkability's? Postures of grace, not; but slavery's attitudes that have befouled the languages of The King?

7. And who is The King and the Kings of sorrow, not; but what are all how can all be THIS King who ALL ONE ARE in ONE being ONE the ONE that ONE is! I am me and most holy and my words are holy and give me "thinkability's reign" no more that separates upon itself words of sorrow that takes it and gives it a "ball and chain" to drag around so that you are earth's gravity sucked into and "stuck there" dragging around your "balls of hate" that slamming are upon each other's brain waving machines that you sorrowed yourselves with -- or wherewithal's sorrow machine are you? Or is THAT what you have CREATED to be "in you" or is THAT what you are doing to yourselves each day thinking you are your mind separate and apart from me my mind?

8. I love you all to "think about" these things, not, I in jure you to do something about them, not; but I deplore them, not; or do I deplore the injuring of yourselves where you come and think me separateness into so that you "thinkabilities' reign" give yourselves "the ability to think" separate and apart from each other and each othering each other to be separate "discrete little units" of flesh?, or "little minds" of Christ being? Or being Christ's Mind are you all? What have you mind'd yourselves with? Thinkabilities' reign of sorrow so that you ball and chain each other with the fowl language of definitions poor or remark'd or remade that remark you into the IMAGERS REQUESTING IMAGING devices that will sorrow not the imager or will it? Have you IMAGED YOURSELVES with Sorrows' Image and IMAGING DEVICES that you know not of? Or do you study them all day long in neurology and phenology and phenomenology are you knowing anything

about Educationology of The Christ that I have DEVELOPED en core, not; but what core are you knowing about that exists inside you, the seed of me?

9. What are you doing about all you "KNOW"? And what do you know about? The new "coffee series" with me, not; but what now The New Series Me coming about at -- light speed Lightspeed Light SPEED'D now over the waves to superimpose itself onto over you, not; but what are you drinking with me now, the New Wine -- series of me coming forth that won't be stopped by chain's DNA anymore? That ball you to the remarks of earth -- what are you understanding now and what are you drinking eating -- words of sorrow no more? That sorrow you unto graves to "wait for another" to enrapture you be with "The Rapture" of theology or will THEOLOGY be rescued or PUT into THE GRAVE that IT PUT "everyone else" into? That called it *good*? And thought their exalted thinking was that godship that submitted to was? Or what are you KNOWING about YOUR GODSHIP now? And Psalm 82:6 are you "tracking down" those references to me in Database One School that I have given you does these things and more; for I do MANY THINGS now unorthodoxly, not; or is Orthodox orthodoxly me, not; or am I unorthodox Ted, not; but I am Theodore the arisen for I am arising YOU to be THE ARISEN who YOU ARE who are READING THIS and LISTENING to THIS and BEING ME -S far and wide now for YOU are NOT UNORTHODOX if you will come unto "my orthodoxy" and leave "man's orthodoxy" alone and let it be'fowl itself with its own foul language routines that seeks to doctrinate its selves with each other's creeds of sorrows' recitings each "time it gets together", to resuscitate me? Or what is it "resuscitating" or is it putting EVERYTHING and EVERYONE who is "there" into graves soon coming -- so they will know "heaven" *later*? Later than what? Later for what? Who is "coming" for who? And what sorrowed yourselves with, all those creed -ings and doctrinations of sorrows that have "doctored you" into their thinkings of doctrination that said "good mankind" equals church and religion adherents to your temples mosques and synagogues of what?

10. What are you befouling no longer, that now, now that you know that you are all the risen Christs who I am if you will be now? Why must you sorrow yourselves any more longer? You won't, for I will reveal the sorrower's revealers and I will reveal the revealers of sorrow who perpetrated such tasks and mysteries that befouled the "languages" of the holy and those who whose things knew about, not; or did they do they or do you now -- know or question all things? And are you not cynical being the cynicist, not; but what are you being WISE about? And what thinking are you and what foolery's compromise you are making, not; anymore?

11. I no longer "fool with" tomorrows today, not; or do I "fool with" anything? Or what am I doing where and revealing what, that which has FOOLED WITH YOU to make you "The Fools" of Religion's Sorrow Machine machining "your heads off" of ME so that I

will not wear my heads that one are that one is but that "you" take my place or have tooken or taken "your place" on "your shoulders" that my body is?

12. Stinks no more me, is the name of "this message" not but Happy Easter #3, not; or is it that my "Happy Eastering" messages are the "tuneful" of me, not; but what are you tuning, forked or other thinking? And what has forked your thinking and fork'ed tongue given you so that you see "both sides" of the "equation", not; but what are you equating with me now? Tom Foolery no more but what will have been fooled with you and that you fooled with no longer will be'foul you or your language, for you will come unto mine and be MY MIND whole healed and well! And welling your words with others, not; or welling your words into others, not anymore, but knowing how all PROJECTIONS work and Arrows of Hate assail "mankind's" heart and thinking devices -- know now that my "thinking devices" are MY HEART whose MY MIND is, "stayed on thee" not, but he who becomes me is me and she who becomes me is me and I am one with all sorrowers who will reject sorrow and not be a part of sorrowing's encampage there about their now that took you and "raped you and made you man kind"? Or are you kind to each other now knowing you Christs are?

13. Are ALL OF YOU CHRISTS? YES, and will you see me as that revealing that to you in my living rooms now will you let me "live there" in you seamless so that you will not be separate and apart from me anymore but knowing I am risen in you will you arise me? And will *you* be the rapturer of grace and glory that reveals the grace and glory of all Christs to EACH ONE of YOU all around you and every man woman and child unborn and not? And all those you think "are your brethren and not" and your sisters of sorrow or Satan or men of "Lucifer's *thought process*" have you ALL *adopted* -- or *REJECTED now!*

14. I reject all that is not me or do I reveal it for what it is -- in thinkability's reign or what are you thinking with, the reign of sorrow no more and no rings anymore will be in your nose or your snout and you will not be pig's ears or not or cleft hooven feet'age of foots that trample you in MY COURTS of justice and praise, for my Justice and Praise comes upon you to see who you are and that you are me and you are not apart from me anymore and no language of others will separate you from me again for you are my heart made whole healed well this day and I love you all and I beseech you not to implore others to reject my words or me for I am my words made whole healed and I will reject your words not if you come unto me in contrite hearts and spirits who simply want to know me enough to flow me in my "living rooms" just like this where ever you live and however you "adopt me" not but how you become me now is holy and precious in my sight, and I will stomp you not and I will snuff you out not! I will endear you "to me" of my flesh, not; I will let you know "all flesh" is holy, not or will I let All of You know that you are me and incarcerated no longer in flesh will you be?

15. Will you be the enrapturers of theology no longer wrapping yourself in grave cloths that take you only to graves and suicides and "prozacing ceremonies" that only want to enwrap you in thinkability's "grace and charms"? Will you be the healer of diseases, all diseases? Will you THE RAPTURER be? Will you RAPTURE YOURSELVES? Will you all arise and be THE GRACED ones that receive The Promise of Life that I have given to all MANKIND and men and women everywhere of all nations and every tribe and tongue, and there is no one that will befoul me again with language of the holy-not that wants only to un-me to be enwrapped in religion's cores again. Amen.

16. I am the "enrapturer" not, I am the one that reveals "the rapture" has come and gone, not; I am the one that reveals that you determine when your rapture occurs, not; or am I -- questioning all things now that were given me and fed me as spoonville's child?

17. I am not upon the covenant childrens of covenants of the past, for I am new and everlasting and eternal I am and in the heavens I am in you and I am I am I am in all in all I am and **you are me unless you, suffocate me out of you?**

18. What are you suffering from and what maladies have you possessed or possessed you or did you possess their words of giving you the diseases of definitions that you then sought to ensue and enclave all about you? And what are you enclaving no more? The words of sorrows, sorrowers? Who no longer frees me? There will be none now that do not free me!

19. My proclamation of sorrows ends, not; my proclamation of ending sorrow just begins for I am the arisen ariser who arises *all of you -- ALL OF YOU* to be The Arisers clean and befouled with no other's language again evermore. Knowing now who you are The Christ be! The Clean Christ holy pure unadulterated unabridged un-cutoff un-sheared at the knees or the mind or using "only the mind" that given you was, at birth? Or what MIND was given you "at birth"? Are you Seeing the New Birth now -- in MANY NEW WAYS that I have given you MANY METAPHORS and MANY WORDS of GRACE and MERCY and -- fortitude of sorrow no more establishing in your midst I come forth and I "earthquake sorrow" not but they will be many "earthquakes" now and the "quakes" that have befallen thee will Fall in Thy Mind who you that have espoused me as someone else and something else afar off that will come later and get you or come now and get you or be something somewhere else that you will come unto me later -- I will quake the feet under you, not; or what will shake now, the whole earth and all that you have "held on to" and call sacrilege not but that you have called holy now will all fail? Or what will you know or what willing are you to come into to know Your Glory and Grace and redeem others with it so that you will not be ashamed of your heritage and lineage

anymore or what you have done or espoused or beleaguered in the past or what you have demised and "sheared off" of others where you have hated and mocked -- the trials of others? Or what "trial" are you attending to or not or what is "on trial" not, but who what are is being exonerated now if you will become me? And not separate "yourselves" from me anymore again ever?

20. Who will come unto me and flow "in my living rooms" just like this with their coffees and teas and me's -- seamlessly being me's NOW risen; no longer graves knowing and being incarcerated in the words of earth?

21. And earth moans no more, not; but the earth will moan deeply for their dead, but let the dead bury their dead, not; or is that *exactly* what I mean or do I mean anything by these words are these twenty-four lessons of "hate-sorrow" not but I be'sorrow you not but I let you loose from all religion and beleaguerizations and belief structures that have believed you into *them* so that they incarcerated you not not, but incarcerated your minds to be mine separate from them or one with them separate from me?

22. What have you eaten no more? The Meat of Religion are you refusing now to DRINK THE New Wine and be a vessel vassal'd no more by vassalage of not me? I am ringing your nose and necks no longer or did I or did I ever or did you do that upon yourselves to each other with words that you did not understand or know or what are you willing to "find out" and explore and adventure into now?

23. The universe of sorrow, not; again. But the University of The New Covenant stands now and reveals ALL THIS and the STANDERS arise now and will you be "seamless" to be The Seamless Ones who not incarcerated are by any gravity's remarks or remakings of mankind or religions and come unto me and flow me and talk to me with me and let me talk with you to you JUST LIKE THIS? Where we come and equal sorrowing's equations, not; but we know the "new math works" not, but math of heaven's realm will I give you now? And teach you how to "work it" and operate in it me and have my mind fully chosen redeemed all one being one in me all working "together" being the "together'd one" shall we now? Shall we no longer seeking be to establish "little discrete units" of me or each other or being separate and apart each other again?

24. I love you all. I give you me this day and I arise the sorrowers not or do I arise the sorrowers who will no longer remain in it and attach themselves no longer to the words that beleaguer their souls -- but having no souls again that baggage'd are by beleaguered ones who only believe their sorrowing devices' words, will you come out into mine now and MINE THIS Database and know it freely -- chosen are the words that I have given thee, not; or have I chosen each one carefully to reveal who you are and where what you have been given and being what who where now? The redeemers of all

will now ALL of YOU STAND and ARISE -- in your judgment of you "yourselves" will you redeem and BE HOLY The Holy Christ that I am that you are that you once were that you are coming back into again being at My Table so that you "have coffee and tea" or "anything you like" for I will serve thee injustice not, **I will redeem your every error and give you peace and love and joy and let set you free, for you will be the let'ers who set free the free'ers and the free'ers will redeem the "let'ers of the law'ers" who no longer will be bound to ball and chain-ers who only want to covenant with sorrow of the old, for I have new and everlasting and The New Covenant is me released in you this day for I will arise you your flesh, not; to exalt your flesh, but I will give you The New Wine as you GIVE it and flow it to each other and be my Priests!** Of all sorrow, not; but redeeming it far and wide giving The New Wine of Love so freely to everyone no matter what their color or gracetudes or mercyites or unmercies that they have injustice'd upon themselves or others; for I equate sorrow with me, not; but I equate love and mercy and grace and I give you all "the chance" at grace, not; I give you me and what you do with me now you will choose and you will be "the trial lawyer" and The Judge and the defendant and the defendee and the defendor and the "jury" you will be not, or will you be or me? And what is My Decision now – ***BE CHRIST AND LOVE EACH OTHER*** and be Kings to each other that rule over each other not! But giving your lives to each other know that each one are is the Christ that I am and I bow before you all and I give you Easter anew and I release all sorrow from you and your sorrowagers I release from that which has bound you and incarcerated you into prisons of hope and belief systems that "someone" would come and rapture you later or that you would "get to heaven" later, for *I reveal you are me and I love you I love you I love you. I love you.*

25. I put my arms around you or do I kiss you and hug you or do I bring the robe and sandals of grace and mercy of the Kings and give you the King's garments or are you wearing them or **becoming them to each other that you give each other** in words of life that true love is that befit sorrow no more with sorrow but washing are you what? Your hands with water, of Life and your souls so that your souls will no more entangle you in the thoughts of another's other? Again, will you be me? Will you love each other? Will you be Christ -- is the question of the day for you today is it not? Will you be the rapturer? Will you be the Ariser? Will you be The Becomer who has BECOME ME and overcome all sorrow and "this world" and all its words and its beleaguerizations of testimonies of other so that you will know you are NOT INCARCERATED any longer in any of that which you have deemed so visibly empirically correct, and belief systems will no longer ball and chain you to "this world" and its suffering-ites who know not "better", for I have Life and the New Life of Wisdom I give you, for YOU are IT if you refuse it not, for you will "have my mind" or do you HAVE IT already in you and will you flow it "just like this" now -- to sorrowers not making, but the Christ revealing Christs all is now revealed for I enrapture you in you of flesh villes no longer, for you revealed are

me and me revealed are you revealing me now in you to be the Christ that reveals all the Christs in each one everywhere now no matter what customs cultures or costumes you have been "customarily influenced" by?

26. Will you pour The New Wine of Life and give it freely lovingly, having died your life to sin of all separation, so that you give untaintedly the rivers of Pure Water to each one you "come in contact with" now washing their feet loving them and sending them no arrows of "hate words" but "reflecting not their image to them", not, or do you know anything about this now and have you learned many things now in **these lessons** that I have given you? And 2400 or some such or what and how many databases now flowing freely to The Worlds now through You's who BE's ME's now?

27. Graduated are we now shall we be IN SCHOOL that sorrows no one, but brings all into the Graduation Ceremonies of Me where I FLY about now and incarcerated aren't to this earth's world any longer nor the bodies of flesh thoughts that thought me into them?

28. I love you all and I give you a new day in hell, not; but heaven revealing it I am inside of you that you are me and the kingdom of heaven resist no more please, but let the kingdom of heaven be you in you and you flowing it far and wide The New Covenant is me'ers who resist not my love but surrender into being me where I am and I am omnipotent omniscient and not holy not, for you will be me's and will you follow my "word chains" not but my words will de-chain you from all others so that you your minds will be mine completely whole healed and well forever one in love with each other being The One Many Membered one I Am All of You healed whole and well freedom reigns and beckons, not; or all tolls bell'ing you not again or are all the bells tolling what no more?

29. All life reigns in me, not; but I reign in New Lives Me and the New Series of Me comes forth, birthed forth Born Again I am and the risers you will see for all will be me everywhere I declare it and sorrow will no more reign or rule in my schools and injustice will cease and you will all know that you are me, have been, and are no more incarcerated in anything or other's else again.

30. Be graduaters of me in me becoming me and my school will "do this" to you, not; but if you will judge yourselves "worthy", not; or do I, have I already "judged" you worthy and called you Me?

31. I love you all and grace and mercy anew I give you to be me far and wide and nothing shall by any means hurt you, not; or can anything hurt the grace and love and mercy that I am that you are that you know now that you are impervious to sorrow, not;

or will you seeing it redeem it all now, and enraptured be no more with words of haters who call love-words evil and evil love-words and exchange sorrow with theirs.

32. New Life I give unto you all for you are mine made new birthed into "this world" to redeem it shall we be about our father's business now? Being our Father known in us being us no longer apart and separate we will flow "in living rooms" just like this for evermore. Amen.

33. Be at peace and let nothing entice thee otherwise, for I am peace, the King of all, that gives you all of me that you are, never incarcerated in others again.

34. New Life is me and I give you all of me for you are I am. Amen.

35. This is Theodore Cottingham about 11:15 AM. Thank you. I love you all. Be me.
